School Environment

CLASS SIZE
Median size of classes in core subjects.

- Oregon average 25

REGULAR ATTENDERS
Students who attended more than 90% of their enrolled school days.

- Oregon average 80%

Academic Success

ON-TIME GRADUATION
Students earning a diploma within four years.

- Oregon average 77%

FIVE-YEAR COMPLETION
Students earning a high school diploma or GED within five years.

- Oregon average 83%

Safe & Welcoming Environment

Ensuring that students feel safe and welcome at Newberg High School is paramount to our community. Our focus on a Culture of Care takes many forms and includes having a mentorship program for our incoming freshmen, training staff on early indicators of mental health concerns for students, and developing strategies as a staff to ensure that students have positive interactions with adults and strong connections with teachers and students in the classroom. Additionally, we train and practice safety protocols regularly and continuously look for areas of improvement to ensure that students are safe in emergency situations.

School Goals

Newberg High School strives to meet the academic and social/emotional needs of all students by focusing on equity, community partnerships and family outreach. We place a heavy emphasis on attendance and have developed a series of interventions to re-engage students who are chronically absent. We’ve developed strong community partnerships with Newberg Providence for student mental health support. We have collaborated with and received community support from local businesses to develop Career & Technical Education programs which reach a population of our students who are interested in high wage, high demand occupations.

State Goals

The Oregon Department of Education is working in partnership with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

**About Our School**

**ADVANCED COURSEWORK**
Newberg High School offers the following AP courses:
- AP US History
- AP European History
- AP Government & Politics
- AP English Language & Composition
- AP Chemistry
- AP Physics
- AP Statistics
- AP Calculus
- AP Computer Science Principles
- AP Computer Science A
- AP Studio Art
- AP Music Theory

In addition, we offer advanced coursework in Spanish, French and German, in addition to dual credit opportunities in Pre-Calculus, Calculus, Spanish, Welding, Horticulture, CAD Design, Computer Integrated Manufacturing and Biology/Ecology.

**CAREER & TECHNICAL EDUCATION**
Our Opportunity Center Coordinator provides students with community connections for internships, work experience and community based projects. Students also gain assistance researching high wage, high demand job information as well as opportunities for workforce training. Many of our CTE programs offer growing dual credit and Career Pathway opportunities for students. We offer Career & Technical Education courses in the following areas:
- Business & Marketing
- Child Development
- Computer Science
- Construction Technology
- Culinary & Hospitality
- FFA
- Horticulture
- Manufacturing, Robotics & Engineering
- Welding

**EXTRACURRICULAR ACTIVITIES**
19 OSAA Sports
6 OSAA Activities including Band, Choir & Cheer
26 Clubs, including:
- Art Club
- Close Up
- Creative Writing & Poetry
- International Club
- Interact Club
- Key Club
- MECHA
- National Honor Society
- ProStart
- Robotics
- Thespians

**PARENT & COMMUNITY ENGAGEMENT**
Newberg High School engages our parents and community in a variety of ways, including Incoming Freshman Night, Tiger Con (Senior Project), School-to-Business partnerships and volunteer opportunities and projects to support students. As a result of our parent engagement, we have a fully stocked and continuously staffed resource room for students, active parent and community members serving on our Building Site Council, and strong support from organizations such as the Newberg Rotary Club, the NHS Booster Club, A.R.E. Manufacturing and the Austin Family Foundation.
